

PayFlow GST - User Stories & Acceptance Criteria

This document contains the MVP user stories, acceptance criteria, and priorities for the PayFlow GST SaaS platform built with React frontend, Node.js backend, and PostgreSQL database.

US-001 User Registration

As a business owner, I want to create an account so that I can access the platform.

Priority: High

Acceptance Criteria:

- Enter name, email, mobile, password
- Email unique
- Password ≥ 8 chars
- Account created
- Redirect to onboarding

US-002 User Login

As a registered user, I want to log into the system so that I can access my business data.

Priority: High

Acceptance Criteria:

- Valid credentials login
- Invalid credentials error
- Session created
- Redirect to dashboard

US-003 Forgot Password

As a user, I want to reset my password so that I can regain access.

Priority: Medium

Acceptance Criteria:

- Reset email sent

- User sets new password
- Old password invalid

US-004 Create Business Profile

As a business owner, I want to add company details so invoices contain correct GST information.

Priority: High

Acceptance Criteria:

- Business name
- GSTIN validation
- Address
- Phone
- Email
- Logo

US-006 Create Customer

As a business owner, I want to create customer records so that I can issue invoices.

Priority: High

Acceptance Criteria:

- Store customer details
- Duplicate warning
- Customer searchable

US-010 Create GST Invoice

As a business owner, I want to generate GST-compliant invoices so that I can bill customers legally.

Priority: Critical

Acceptance Criteria:

- Invoice number
- Customer details
- Items
- GST calculation
- Totals

US-012 Generate PDF Invoice

As a business owner, I want downloadable PDF invoices so that I can share them with customers.

Priority: Critical

Acceptance Criteria:

- PDF includes GSTIN
- Business details
- Customer details
- Tax summary

US-014 Record Full Payment

As a business owner, I want to mark invoices as paid so outstanding amounts remain accurate.

Priority: High

Acceptance Criteria:

- Status updated
- Payment recorded

US-015 Record Partial Payment

As a business owner, I want to record partial payments so remaining balances are tracked.

Priority: High

Acceptance Criteria:

- Track paid amount
- Track balance
- Update invoice status

US-017 Outstanding Dashboard

As a business owner, I want to see total outstanding money so I understand cash flow.

Priority: Critical

Acceptance Criteria:

- Total outstanding
- Overdue amount

- Recovery metrics

US-018 Aging Analysis

As a business owner, I want invoices grouped by overdue days so that I can prioritize collections.

Priority: High

Acceptance Criteria:

- 0-30
- 31-60
- 61-90
- 90+

US-019 Automatic Reminders

As a business owner, I want reminders sent automatically so collections improve.

Priority: Critical

Acceptance Criteria:

- Before due date
- Due date
- 7 days overdue
- 15 days overdue

US-021 GST Sales Report

As a business owner, I want GST sales reports so filing becomes easier.

Priority: High

Acceptance Criteria:

- Monthly
- Quarterly
- Yearly

US-023 Export Reports

As a business owner, I want reports exported so I can share them with accountants.

Priority: High

Acceptance Criteria:

- PDF export
- Excel export

US-026 Manage Team Members

As a business owner, I want to add staff accounts so employees can use the system.

Priority: Medium

Acceptance Criteria:

- Owner role
- Manager role
- Staff role
